

ALOIA

Five generations of absolute reliability

ALOIA

For five generations, the Aloia group represents, selects and distributes **excellent food products from around the world.**

Aloia offers a wide range of fresh, frozen and preserved fish products.

The key words are quality and sustainability.

Aloia works with a select network of international partners with whom, in most cases, it shares a long family business history.

Aloia's business partners are characterised by accuracy and seriousness in keeping commitments.

**Interpersonal esteem
is always put before business.**

Corporate Values

- Integrity
- Quality
- Innovation
- Passion and optimism
- Respect for people
- Respect for the environment

+15,000

tonnes sold
per year

exclusive suppliers for the
Italian and Spanish markets

+250

satisfied customers
every year

With over **100 years of experience**, today the Aloia group is the perfect union between the solidity of tradition and the determination of the new generation.

The focus on the development of new projects sets the company on a path of constant growth.

A JOURNEY THROUGH TIME LASTING MORE THAN A CENTURY

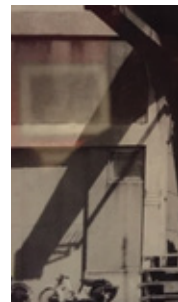

The business history of the Aloia family began in 1920 with a cargo of grain from the **United States of America**, unloaded on the docks of the port of **Naples**.

Innovation and technological progress have always been a point of strength of the **Aloia** family's business.

As early as the early 1900s, Vincenzo Aloia opened the door to the future by building an innovative cylinder mill for grinding wheat.

1920

First **import of grain to Naples from the USA** and construction of an **innovative cylinder mill** for grinding wheat.

'50

Growth in the food sector
with a focus on the fish sector.

'70

Start-up of **representation activities in Italy** for foreign companies operating in the fish products sector.

2000

Expansion of the commercial offer and start of the activity of **selection and distribution of the best food specialities from the world.**

today

A network of selected partners based on **trust, reliability and quality.**
